Reflections of a Bachelor

A woman expects her own faith in
it to convince others of her beauty.
The average girl's reason for not
marrying a man is because he doesn't
ask her.

A woman couldn't really have a good
time away on a visit unless she could
worry about how the children are at
home.—New York Press.

ORDINANCE NO. TWENTY-SEVEN

An Ordinance Relating to the Number-
ing of Houses.

Be it ordained by the Mayor and
Common Council of the City of Globe:

SECTION I.
It is hereby made the duty of every

tain upon each such house, in conspic-
uous places, such number or numbers as

nished by the City of Globe.

For each number designated, fur-
nished and placed in position such house-

City the sum of fifty cents.

The said houses shall be numbered
